

Athens Montessori Parents Questionnaire

Welcome to AMPs. We encourage you to be an active member of our school community. The time spent volunteering for school events and committees fosters friendship among parents, enriches the school and its surroundings, and strengthens the bonds of our community.

There is something for everyone. Fun events sponsored by AMPs include the Fall Festival, Holiday Float, AMPs dinners and the Spring Auction. Fund-raising events have funded significant projects including: the new library, playground playscapes, student scholarships, donations toward the acquisition of land for expansion of the school, and a yearly donation of monies to each class for further enrichment of their classroom. Parent participation through AMPs enables us to do all of these things and much more, all to benefit our children.

Please provide us with your contact information so we may keep you informed. You will be sent an email, inviting you to join the AMS Listserv. We use the Listserv to post information through email about upcoming events, meetings, and other messages pertaining to the AMS community. Please check off any of the volunteer opportunities that you may be interested in. Whether you have one hour a week or one hour a month, volunteering is vital to making these events successful.
