

# ATHENS MONTESSORI SCHOOL 2010 SUMMER COMPUTER PROGRAM

3145 Barnett Shoals Rd. Athens, GA 30605

(Ages 10-14 years-children must have completed 4<sup>th</sup> grade)

We hope you will join us for an exciting summer. To register, please complete and return forms to the above address. Students not enrolled at Athens Montessori School must include payment with application. Applicants are financially responsible for week indicated.

## Surfing the Sea of Knowledge

New for Upper Elementary and Middle School Students

Join this group of ten students (ages 10-14) to enhance learning and expressing research with the computer. Students will learn power point, learn to conduct smart searches while exploring selected topics and identify vital websites for learning and developing skills. This also will help students organize information, such as a personal portfolio, mail lists, or data.
